

**POS-5715AT-QB**

**Technical Data**

CPU Atom 1.6 GHZ  
 System RAM DDR2/ 2GB  
 HDD Storage SATA 160GB  
 Compact Flash 1x Slot Type II, Non-Removable  
 TFT LCD 15" (250)  
 Resolution 1024 x 768  
 Power Input External Adapter 12VDC 90W  
 Compliance FCC/CE/WEEE/RoHS  
 Weight (kg) 6.5  
 Operating Temp 5°C~40°C  
 Storage Temp -20°C~60°C

**I/O Ports**

3x RS232 DB-91  
 4x USB External (1 for Touch)  
 2x USB Internal (Reserved)  
 1x PS/2 Keyboard port  
 1x PS/2 Mouse Port  
 1x PARALLEL PRINTER PORT  
 1x RJ45, 10/100/1000 BASE-T  
 1x DB-15, 2ND VGA PORT  
 1x 12VDC OUTPUT  
 1x RJ11, 12VDC CASH DRAWER PORT

**All-In-One POS System POSpark 5700:**

Built from the ground up performance and value, TYSSO's all in one pos system 5700 offers unmatched style and functionality. The POS-5700 is a fully integrated TFT/LCD Touch Screen Workstation that offers best price-performance value for our global POS expert customers. It provides countless features with its minimized power consumption design, high performing ULV processor, and VIA chipset that supports dual monitor output.

TYSSO's POS-5700 differentiates itself through its superb internal housing design, which vastly improves noise reduction, heat dissipation and also makes the POS hardware maintenance a lot easier vs. the older models. The special featured aluminum die-casting base and the securely mounted monitor also provide stability and reliability during the touch screen operations.

POS-5700 offers various hardware customizations upon OEM requests, including VESA Wall-Mount models, choices of rear mount between customer pole display and 2nd LCD display, and etc...

This Point of Sale system is compatible with both Linux and Windows Operating Systems, and is able to integrate with a wide selection of retail devices. It ensures competitiveness of your business and maximizes return on your investments.

**Tilting angle 15~80 Degrees**
